

Link to L.E.K. PhD/MD/PharmD Program

Dates: April 29 - May 1, 2024

Apply by: March 10, 2024

Link to L.E.K. is an immersive program for PhDs, MDs and PharmDs designed to provide participants with an in-depth view of life sciences strategy consulting and more specifically, the Life Sciences Specialist (LSS) role. This program will be held virtually and will feature opportunities to:

- Learn more about L.E.K. as a firm and the type of work we do
- Gain hands-on experience working through a simulated case with Life Sciences Consultants and present findings to senior management
- Network with all levels of Life Sciences staff

Participants will receive an accelerated invitation to final round interviews for Life Sciences Specialist roles.
